

## Dress Code

Chaminade recognizes that a person's appearance is indicative of their positive self-image and ability to be self-disciplined. However, what is appropriate appearance in recreational or leisure situations may not be appropriate in the school environment. The school requires that a student come to school clean, well-groomed, and with their clothing laundered and in good condition.

The school has used the following in determining the Chaminade uniform dress code:

1. The dress code is designed to minimize fashion competition among students and reflect their readiness for serious academic endeavor.
2. The appearance of the student will NOT reflect any connections to groups NOT acceptable to the philosophy and goals of Chaminade.

Students should always be in uniform unless otherwise specified. Students who come to school inappropriately dressed will not be permitted to attend any classes until a change of clothing is brought for them. The Office of the Dean is responsible for interpreting, implementing, and enforcing the dress code policy and as such is the final arbiter, in most cases, in determining what is the appropriate school dress. On special occasions, such as Mass, students may be required to wear more formal clothing. They will be notified well in advance to make appropriate arrangements.

### Daily Dress Code
