Please note: if taking the 4:35 p.m. bus, it makes every stop needed along Ventura, your student must tell the driver what stop they will be needing.

Arrival times are unpredictable due to traffic conditions, use of the **SafeStop** app is highly recommended.

On Noon Dismissal days the first bus will depart at 12:30. The bus then returns to the middle school and continues with later runs only if necessary, depending on sports practices and other activities. For your convenience the times of departure will be printed in the weekly bulletin before the noon dismissal day, they will be placed on the **SafeStop** app and I will send an email as well.

Please Note: Parents or a responsible adult are **expected** to be at the pick-up location when students are dropped off by the bus. The bus driver cannot wait to see if every student has been picked up. It is suggested that you sign up for our **SafeStop** app which will enable you to see the estimated time of the bus arrival as well as the exact live time location of the bus.
