

2009-2010 Band Performances

Good afternoon everyone. I would like to take this opportunity to invite you to the band performances throughout the school year. The kids and parents are always excited to see faculty and staff members at a performance. Some of the times for off campus performances are TBD and will be posted on the Music Events Calendar page that is listed under the HS calendars section of the website once we know them.

If you have been to a concert before, thank you, and I encourage you to invite a friend this year to come with you. Also, if you have never attended a festival or competition I encourage you to check them out. We have 3 off campus marching band competitions and 2 winter guard competitions that are all local as well as this year's spring festival trip.

Thank you for your continued support of the HS Band Program and I look forward to seeing you at a performance!
