SANTA CLARITA VALLEY

For families in the Santa Clarita Valley area, transportation is provided by the Santa Clarita Valley Transit Authority to the middle school and high school campuses. Information on their routes, times, and prices may be obtained by calling them directly at 661-294-1287.

Chaminade College Preparatory contracts with Tumbleweed Bus Lines for services as a courtesy for our families.

As Chaminade College Preparatory must sign an agreement committing payment for a full year, to Tumbleweed, Chaminade College Preparatory requests the same commitment from its families in return. Chaminade College Preparatory does partially underwrite the morning shuttles between the campuses.

As a policy, Chaminade College Preparatory requests that parents pick up their students when the bus drops them off as special supervision is not provided.

For additional information or questions, please contact Betty Paravato at the Business Office at 818-366-9284.
